with Professor Maky Fraga, MD

Attending neonatologist at Children's Hospital of Philadelphia CHOP
Professor of Pediatrics at Perelman School of Medicine, University of Pennsylvania
Director Neonatal Point of Care Ultrasound Program, Children's Hospital of Philadelphia

Hôpitaux Universitaires Genève
Boulevard de la Cluse 30
1205 Genève

Dear colleagues

We are delighted to invite you to the second "Neonatal Point-of-Care Ultrasound (POCUS) Masterclass," featuring Professor Maky Fraga, a world-renowned expert in neonatal POCUS and the Director of the Point-of-Care Ultrasound Program at the Children's Hospital of Philadelphia.

Supported by Chiesi SA, Vygon, and GE HealthCare, this masterclass will focus on key neonatal applications, including lung ultrasound and ultrasound-guided surfactant administration. Additionally, the course will cover essential POCUS skills for neonatologists, such as ultrasound-guided vascular access and lumbar puncture.

We are thrilled to host such a distinguished international expert. The course is free of charge and open to all Swiss NICUs.

Please register online by January 20th.

We look forward to welcoming you soon to the University Hospitals of Geneva!

Kind regards,

Prof Riccardo Pfister

Dre Francisca Barcos-Munoz
